

ALLNATURE[®]

Dedicated To Your Health

DHA 100mg

Children and pregnant women

Made in USA

Docosahexaenoic acid (DHA) is an omega-3 fatty acid that is a primary structural component of the human brain, cerebral cortex, skin and retina. It can be synthesized from alpha-linolenic acid or obtained directly from maternal milk or fish oil. DHA supplementation for children, pregnant women intended, pregnancy and lactation supports completely structure for brain and retina in the fetus and the child from breastfeeding period.

WARNING: If you are taking any medications or planning any medical procedure, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur.

KEEP OUT OF REACH OF CHILDREN.

STORE IN A DRY COOL PLACE AND AVOID EXCESSIVE HEAT.

TAMPER RESISTANT: DO NOT USE IF IMPRINED SEAL UNDER CAP IS BROKEN OR MISSING.
